*Providing piece-of-mind
solutions since 1988*

Does reading about a disaster at another company cause you to worry about your own?

If a disaster struck your company, what would your customers read in the newspaper?

Do you have an effective Disaster Recovery Plan?

Is it up-to-date? Are you sure it will work?

Take action now! Don't be one of the unfortunate companies you read about in the papers.

Expert *Systems* Resources inc. is a member of the Disaster Recovery Information Exchange (DRIE). *ESR* is well positioned to guide your company through the creation of a disaster recovery plan or to examine the plan you have in place to ensure it is up-to-date and complete.

We have many different services in the area of disaster recovery, from inexpensive starter services to heavy duty extensive disaster recovery plans.

Call *ESR* before it's too late. The unfortunate element about disaster recovery is that you may not get a second chance.
